Since you have heard about the Lost in Secular Love, I think you have the expectation about it. As many people who have already experienced this game and know that the beginning was not easy, it is the same for this game. It may have been the wrong choice for the time we made the game development. Now, I want to make it for the people who have never played this kind of game. It is a story that takes place in Taichung, a city of Taiwan. You'll become a copy of "Fuzi" in the "Secular Love" from the beginning of the game, and the story will be as usual with hints of a certain feeling. If I tell you more detail, you can play "Lost in Secular Love" by yourself. But please remember this. You can't come back here if you quit this game. Thank you for your understanding. ©2019 TetraCalyx All songs in this game were uploaded from the internet. I do not claim this as my work. If this infringes upon your copyright, please contact me and I will remove the material. All songs are in the public domain, as far as I am aware. This game is free to download and to

\_\_2016.09.07\_\_ Twice Set up Menu Twice is a full-scale, half-pixel, infinite, 2D platformer by Le Tang of Proklad. Twice is about bouncing from platform to platform. Maintaining speed but yet hitting your target. An objective from the beginning, to the end, to the sky... and beyond? But it's not that simple. Have you ever been losing while flying? How do you regain your ship's speed? Do you forget about**

the weight and gravity of the planet? Regardless what the answer is, to be successful, you must guide multiple ball clones as they bounce their way to the bottom. As you ascend through the gargantuan planet, you must jump multiple times to perform a series of 20 consecutive acrobatics, strictly required for high-level achievements.

**[GAMES] [ Come On! Title : Come On!genre :Platform, Match-3 (Puzzle), Browser, 7, Climb, Void What's the genre? Four rows of four cards flip up. You have to click where they have landed. There are groups which consist of whole cards plus the number of spaces filled in the blank circles. Match them, and you get points and bonus blanks. And of course, these rows will grow if you keep clicking at the right places. The last row and your last clicks are the most important, as they lead to bonuses. Helpr3n [Shoot-em-UP] Title : Helpr3ngenre : Action, Shooter, Phaser, Action Set up Menu You need a little dark humor in your otherwise grim and overpriced life... The most prestigious title in life can be ripped from your hands in this 2D Run 'n' Gun shooter for the NES. Move through over 100 floors of shooting mayhem at a turbo charge pace and do your best to survive. Choose from one of the 7 evil bosses to achieve the ultimate challenge. Hunt for the Red King Title : Hunt for the Red Kinggenre :Action, Marathon, Shoot-em-UP What's the genre? You have to beat the game. Period. The more clever you are, the more points you get. You have to collect all the**
